

RE: Senate Bill 843

I am sorry I am unable to attend this morning, but would like to provide my testimony.

I am in opposition to State Bill 843. I think it is unfair to place additional burden on property tax payers. We are having a difficult time surviving in this economy with our current situation and I feel it is unfair to divert the burden to home owners and property and business owners for the cost that is currently appropriated to the correct people – those who own and operate vehicles.

Respectfully,
