

## Testimony-Fight Against Property Tax Hikes & Senate Bill 843

To the Finance, Revenue and Bonding Committee:

**I am against Governor Malloy's proposal to eliminate motor vehicle property taxes (Senate Bill 843).** The Governor's proposal to eliminate motor vehicle property taxes, "**amounts to smoke and mirrors**", resulting in lost revenue for towns & cities and causing in a significant increase in property taxes for all taxpayers to make up the lost revenue.

Please reject the proposal to eliminate motor vehicle property taxes.
