Concerning the support of Landscape Contractor License Bill, S.B. 112

**I fully support Landscape Contractor License Bill, S.B. 112
Base on the following**

Landscape Contractor License Bill, S.B. 112

- 1. Will better help to protect consumers in Connecticut, by providing licensed and insured contractors work on their property.**
- 2. Will better protect licensed and taxpaying and tax collecting landscape contractors in Connecticut. Helping to insure all landscape business are operating legally and properly financially contributing to the state.**
- 3. Will provide a clearly defined career path for the youth of Connecticut who desire to choose landscape contracting as a career.**
- 4. Will provide a license similar to other trades , like arborist, irrigation installers, pool builders, landscape architects.**
- 5. Will provide consumers with educated, better trained contractors by requiring testing and continual education credits.**

Thank you for your consideration
