Senator Bye, Representative Willis and distinguished members of the Higher Education and Employment Advancement committee, thank you for the opportunity to offer testimony in support of S.B. No. 878 (RAISED) AN ACT MAKING CLARIFYING CHANGES TO THE HIGHER EDUCATION STATUTES IN ACCORDANCE WITH THE REORGANIZATION OF THE HIGHER EDUCATION SYSTEM. This bill makes technical changes to statutes in order to properly conform to current practices and correct errors that occurred during the transition of the reorganization. These technical changes clarify which programs are housed within our agency. We look forward to continuing to work with the committee as the session proceeds to update the current language.
