

Honorable members of the Insurance and Real Estate Committee.
My name is Arthur Daigle I reside in Plymouth Ct.

I'm writing this testimony in opposition to: HB 6656 AN ACT CONCERNING LIABILITY INSURANCE FOR FIREARM POSSESSORS OR OWNERS.

In reading this bill I see no reason to establish liability insurance requirements for owners of firearms as law abiding citizens are not the problem.

This bill will only add further expense to responsible law abiding citizens to exorcize their second amendment rights.

Criminal offenders will not be bound to this purposed legislation this will mean that again responsible citizens will pay in to an insurance system that will rarely pay out.

The other concern is that what if no insurance provider will insure gun owners? This now becomes back door gun control legislation infringing on every law abiding citizens constitutional rights.

It will also become a back door gun owner registry in violation of federal law 18 U.S.C. 926 prohibiting states from creating a firearm owners registry.

Thank you for your attention to this matter.
