Subject: House Bill 6656 Testimony

Dear members of the Insurance and Real Estate Committee,

I would like to state my opposition to House Bill 6656. I do not understand how a bill requiring all firearms owners to purchase extra liability insurance would have a positive impact on reducing violence. This essentially equates to a poll tax and has no place in our state. This bill would be an unfair and unnecessary tax on the poor and the elderly in Connecticut. I hope you do not support this bill. Thank you for your time.

Sincerely,
Brian Coope
