Subject: Proposed bill for liability insurance for firearm possessors or owners

Dear Sir or Madam:

I'd like to tell you that I don't believe that you should pass this legislation. We as gun owners should not have to carry liability insurance for the right to bear arms and carry our handguns legally. That is an unnecessary burden upon us. I don't believe that this is the answer to stop gun violence.

Please listen to the testimony opposing this legislation and don't pass it. This is not the answer to stopping gun violence.

Thank you.
