Subject: H.B. No. 6656 I Oppose this Bill

SUBJECT MATTER: Insurance Bill

H.B. No. 6656 (RAISED) INSURANCE AND REAL ESTATE . 'AN ACT CONCERNING LIABILITY INSURANCE FOR FIREARM

Dear: ,

I oppose this HB 6656 for all that it stands for. This is an atrocity that will forever affect our rights to protect our families and our homes. By making us pay for Liability Insurance will not stop any crimes. The criminal should pay for this not the tax paying citizen. I already pay for Property Insurance, Liability Insurance and every other insurance needed to survive in this state. Again I oppose this bill for it will not make any change to the criminals out there...

In closing; we have hard evidence that Armed Citizens stop crimes. Armed citizens are our 1st responders. Many of us will be there before the police even respond to the crime. Please consider stopping this bill before making me into a felon. I already pay so much in taxes and fees how much more blood can you take

Thank you for your time
