I oppose this bill. This is nothing but a 'tax' that will increase and increase every year until no-one can afford it turning good folks into instant criminals. It's tough enough now just for people to pay for health insurance that increases close to 20% per year.

This bill will do nothing, absolutely NOTHING to reduce gun crimes. It will only harm law abiding citizens by putting additional burden upon them. The criminals will always find a way.

Don't let this bill pass.
