Re: Support for SB 1093

Dear Senator Crisco

On behalf of the Connecticut Captive Insurance Association ("CCIA"), I am writing to you to express the support of the Connecticut Captive Insurance Association for the captive insurance legislative initiatives put forth by the state's Insurance Department. I have read the bill and discussed the proposed changes with John Thomson and strongly concur with his recommendations.

The CCIA is receiving numerous inquiries regarding new captive formations and potential re-domestications. The proposed statutory changes will be important in facilitating these transactions.

The CCIA continues to believe that the captive insurance segment will provide a significant contribution to the future economy of the state, as well as reinforcing the reputation of Connecticut as the "Insurance Capital."

Please let me know if you have any questions. Thank you for your continued support.

Best regards,
Tom Hodson
President
