Subject: Parental Alienation Bill 6685

To whom it may concern, My name is Pete. I have not seen my daughter Elli in 3 years, even though I have joint custody with NO legal issues.

Elli lives in Harwinton, goes to Lewis Mills High School, has good grades, plays soccer 5 days a week and lives on a wonderful horse farm.

I do everything in my power to make sure she has good home. But I cannot be her father because of the mother's parental alienation syndrome. The loss of my child so painful. Myself and my family beg you to do something to rectify this terrible injustice. Elli should

have both parents in her life ! Thank you. Sincerely, Peter Spring
