Subject: Testimony on S.B. 123, Repeal of The Risk Reduction Credit Program

To all Honorable Members of The Judiciary Committee.

I am in favor of, S.B. 123, The Repeal of The Risk Reduction Credit Program.

Violent felons should be mandated to serve the appropriate prison sentence for convictions of crimes against persons in our society.

In prison there are penalties for unacceptable behavior while incarcerated, therefore good behavior should be the norm, not the exception.

We the citizens need to send a clear message to these perpetrators of violent crime that their social behavior will not be tolerated.

This is why I support S.B. 123.

Thank You.

Respectfully,
Allen F. Petri
