Dear Judiciary Committee,

Please repeal the Connecticut law which allows convicted rapists, kidnappers, child molesters, animal abusers and other violent felons to earn as many as five days off their prison sentences each month.

I support Senate Bill #123 an Act that Repeals the Risk Reduction Credit Program. This bill needs to be passed by the legislature. There is no common sense reason why these dangerous violent felons should get the benefit of getting any days off of thier sentences,

Thank you!
