Subject: Testimony on Senate Bill 123

I, Robert Stewart of 1230 Copper Hill Road, West Suffield, CT 06093, support the passage of SB 123. The bill is entitled "An Act Repealing the Risk Reduction Credit Program". Currently the law allows a reduction in prison sentences for violent criminals. I oppose early release. SB 123 will essentially repeal an early release program. Convicted criminals, particularly violent offenders, should be incarcerated and serve out their sentences for the full terms as imposed by the courts. Our society is threatened, as it exists, without adding to crime problems by early release of violent criminals.
