Subject: Please pass HB 6690

My name is Cora Martino and I run a feline rescue group out of Stamford, CT. Pitter Patter Feline Rescue, Inc. I approve this law. I have seen first hand in my travels of Trap Neuter Release the horrible pain people inflict on animals. I watched a man beat a feral cat to death with a shovel and could not stop him. I've watched young children cover a mother cat with a laundry basket and proceeded to toss her very young babies back and forth to each other like they were balls. I witnessed someone throw a bag (pillow case) out of their moving car with very young kittens in it. I don't know what you need to hear or see. Maybe a cat or dog set on fire while it's still alive. But these animals need someone to speak for them. So please pass this law HB 6690.
