Judiciary Committee Public Hearing Testimony

HB 6690 AN ACT CONCERNING COURT PROCEEDINGS AND THE PROTECTION OF ANIMALS.

Testimony from Edward Young
370 Long Bottom Street, Southington, CT

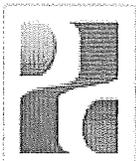

To members of the Judiciary Committee,

I am fully in support of H.B. 6690, an act for the protection of animals. These creatures need our support to protect their welfare and punish those who abuse and torture them. As a civilized society, CT needs to get on board and work to eliminate animal abuse through proper legislation that makes it a punishable crime to commit these violent acts.

Thank-you for your consideration to support and pass this important bill.

Truly,

Edward R. Young
