

**Testimony Concerning HB 6690**  
**GLAUCIA S. LOLLI**

I would like to thank the Judiciary Committee for the opportunity to express my support of Connecticut HB 6690 "An Act Concerning Court Proceedings and the Protection of Animals", led by Rep Diana Urban.

I am a registered voter in North Branford, and I care very much about animals! This bill would allow for a court advocate to speak on behalf of abused animals. All too often animal victims of cruelty are denied adequate representation and justice in the court system. This bill will ensure that the extent of the cruelty is made apparent to the court, and that the animal's interests are served.

Thank you for giving me an opportunity to testify and I do hope you will strongly support this important piece of legislation.

Thank you,
