Subject: Testimony Concerning HB6690

I am a registered voter in Guilford, who happens to be an animal lover. I would like to thank the Judiciary Committee for the opportunity to express my support of HB 6690.

Please do the right thing and pass this important bill. I believe that all animals-especially abused animals- should allowed to have rights, just as we have rights.

Thank you for giving me an opportunity to testify and I do hope you will strongly support this important piece of legislation.

Thank you,

David "Jake" Wyman
