Judiciary Committee Public Hearing Testimony

HB 6690 AN ACT CONCERNING COURT PROCEEDINGS AND THE PROTECTION OF ANIMALS

Dear Members of the Judiciary Committee:

Thank you for considering the above act, HB 6690. In order to stop the ongoing abuse and neglect of all companion animals (as well as those which are homeless, etc.), I implore you to seriously consider this bill and give a voice to "the animals". They are innocent creatures and have served us all faithfully.

If people are aware that there are penalties for their bad behavior, they may reconsider any or all further abuse. People who abuse animals have an insensitivity that could easily carry over to other creatures, such as ourselves. These people must be stopped. These animals must be helped. Please pass this bill that would allow court-appointed advocates for the animals.....and would help discourage future abuse and suffering.

Thank you,

Jean M. Frezza
