To whom it may concern,

I am writing to you to show my utmost support for HB 6690.

It is vital in this day and age that true accounts of animal abuse be highlighted and correctly documented in court as it has been proven time and again that violent crimes begin with abusing animals.

This is an opportunity to punish these individuals appropriately and bring them to the Justice systems attention so that they may be monitored and hopefully stop them becoming murderers of the future.

We have the chance now to make changes, to be forward thinking citizens to make a difference. It is of paramount importance that HB 6690 be passed.

Please support this and make a real difference.

Yours Faithfully

Sara Williams
