Subject: Support for House Bill 6690

As a registered voter in the town of Enfield CT, I would like to express my support for House Bill 6690 concerning court proceedings and the protection of animals.

I come to you as not only an animal lover but a mom who is concerned about the welfare and safety of my children and children everywhere. The innocent victims who have no voice. Here in Connecticut, we have seen first hand the degree of evil to which a truly sick human being is capable of.

Knowing that a vast majority of these sociopaths start their path of evil and devastation by cruelty, torture and inhumane treatment of animals, we should be going out of our way to make sure these individuals are stopped in their early path of destruction or God forbid another Newtown.

This Bill needs to be passed.

Thank You
