Subject: Testimony

Mr Marinelli,

I am in favor of Senate Bill 123: AN ACT REPEALING THE RISK REDUCTION CREDIT PROGRAM. I feel that this program is dangerous and should be terminated. It puts many innocent victims in harms way and is merely a get out of jail early card . The judicial system has set their fate for the crime and I feel they need to serve the maximum time they were given. No early releases.

Thank you for hearing my testimony at this time.

Sincerely,

Anna K Cretella
