Subject: Testimony - S.B. 123: AN ACT REPEALING THE RISK REDUCTION CREDIT PROGRAM

Hello,

I am writing in support of S.B. 123. I have been very active in the recent debate around gun control, and everyone on both sides of the argument agrees we need to reduce gun violence and keep guns out of the hands of criminals. This bill will have a substantive effect in keeping violent criminals out of society and reducing violence in general. This is exactly the type of anti-crime/anti-violence solution we need. Time and again we see violent felons released early to simply return to their life of crime at the expense of the rest of society. I urge you as a Committee to support this bill. Thank you.

Best regards,
