Dear Senator Cassano,

I am writing to ask you for support in raising the minimum wage in CT. Too many hard working families are struggling to make ends meet on the current \$8.25 wage.

As our economy begins to recover, we will rely more and more on the strength of the growing workforce (much of which is made up of minimum wage workers),

Please consider the good that will come from your support - for our workers, our economy and our future.

Very Sincerely Yours,
