This bill HB5724 takes the voters right to choose whom they want to represent. When there is conflict between personal interest and voting, you can abstain. In the City of Bridgeport the city council position is without pay. Only a stipend is received. Just because you work for the city should not be an impediment to run for office. As a former teacher for the City of Bridgeport I must tell you that I am very clear when to abstain when a conflict arise. I encourage you to vote NO on house bill HB5724. thank you
