***PLANNING & DEVELOPMENT COMMITTEE***  
February 20, 2013

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 92% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

**HB 6311, "An Act Prohibiting Municipalities from Adopting Breed Specific Dangerous Dog Ordinances"**

CCM opposes this bill.

HB 6311 seems to unnecessarily tie the hands of municipal officials, preventing them from enacting measures that they believe are best to help ensure the health and safety of their community. It should be noted that any measure adopted by a municipality is done so after a very public and accessible process.

CCM urges the Committee to take no action on this bill.
