Subject: Legislation Re: Death certificates

Dear Mr. Dugan,

I am a 40 year resident of Newtown with 3 children. My family has lived in this town for over 80 years. I implore you to restrict access of the complete Death and Marriage Certificates to only immediate family/authorized agency/attorney Offer a certified registration of event to those who do not fall under the same or similar guidelines already established for issuing birth certificates. The citizens of this town need to be protected and most importantly the parents of those killed on 12/14 do not need to have the added burden of possible endangerment, identity theft and harassment.

Sincerely,
Bernard & Sarah Findley
