

Millington SB374

To whom it may concern,

I would like to state that I am opposed to bill 374 mandating that all children have a mental health screening. I understand the spirit behind the bill, but it is a further invasion of the state into the lives of families. I don't feel that a knee-jerk reaction to current events warrants such a bill that again, takes choices away from parents.

Sincerely,

Mr. Jared Millington
