

SB 374

To: The Public Health Committee:

From: Charles Wearne

As a concerned parent, I would like to oppose proposed SB374. This is a gross invasion of privacy and an assault on the family. It is an attack on not only parental rights but the child's rights as well. It is also a violation of our State Constitution (A1,S7) and the 4th Amendment of the US Constitution. The Government has no right to interfere with private families. This state's government is over-stepping its bounds and needs to stop attacking Law-abiding citizens and treating them as potential criminals. This includes labeling our children.

Sincerely,
Charles Wearne
