

SB 874

I am writing concerning the proposal to change term limits and appointments to the Birth-to-Three Interagency Coordinating Council.

I am a volunteer member of the Connecticut State Birth to Three Interagency Coordinating Council. I am a physician/pediatrician specializing in Children and Adults with disabilities and a Clinical Professor of Pediatrics at the Yale University School of Medicine. I am the official representative of the Connecticut Chapter of the American Academy of Pediatrics (A.A.P.) to the Birth to Three Council. The Executive Director of the Connecticut Chapter of the A.A.P. is the only employee of the CT A.A.P. and is not a physician caring for children with disabilities or a family member. We are recommending that the expertise of a practicing clinician be an official representative of the CT. A.A.P.

Robert G. La Camera, M.D., Clinical Professor of Pediatrics, Yale School of Medicine.  
200 Leeder Hill Drive, Unit 217, Hamden, CT 06517
