Subject: Written testimony in support of HB 6015

I am writing to express my full support for this bill regarding 911 calls. As a landlord, I find it "hard to believe" that a municipality can charge ME for my tenants calling 911. We pay taxes for police. And when 911 is dialed, it has nothing to do with me. My other concern is that a tenant, who may be getting evicted, may try to abuse the 911 emergency line as revenge to make me pay hefty fines thus tie up the lines for real emergencies. The fact that we have to fight this to begin with is pathetic. I hope that the state legislature exercises common sense and passes this bill so that desperate municipalities won't look to rob me to meet their budget.

Sincerely
Paul DeFelice
