

OPPOSITION to SB 505 - AN ACT CONCERNING THE MINIMUM AGE TO PURCHASE A RIFLE OR OTHER LONG GUN.

Raising the legal age an adult can legally own a rifle from 18 to 21....

So.. a person can join the military, be issued a firearm, go off to fight to defend your freedoms and possibly die doing so.. but he or she isn't old enough to buy a rifle?

I think the direction the legislation in this state is headed is very sad.

I ask that you not let this proceed further.
