Subject: SB 505 - *AN ACT CONCERNING THE MINIMUM AGE REQUIREMENT TO PURCHASE A RIFLE*

The purpose of this bill is to raise the age to purchase a rifle from age 18 to age 21. I do not agree with this bill and I oppose this requirement.

The reason I oppose this bill is because if a person is considered at age 18 to be responsible to use a rifle while serving in the armed services, then the person should be considered responsible for civilian ownership of a rifle at age 18.

Sincerely;
Michael Faucher
