Subject: 3/14/13 Testimony - OPPOSED

Members of the Connecticut General Assembly:

I am steadfastly **OPPOSED** to all of the below listed Bills, and want to make crystal clear that my view is heard and understood.

SB505 - OPPOSED
SB506 - OPPOSED
SB710 - OPPOSED
SB897- OPPOSED
SB1071 - OPPOSED
SB1076 -OPPOSED
HB6162 - OPPOSED
HB6251 - OPPOSED
HB6595 - OPPOSED
HB6598 - OPPOSED

Public hearings on these bills are being held today (3/14/13) and I am unable to attend in person. Please make sure my opposition is recorded.

These Bills represents the misguided Democratic gun-grabbing agenda at its pinnacle. As usual, there is nothing within any of these Bills that will disarm criminals. None of these Bills will do a single thing to provide additional protection for children in schools. The only thing that would be achieved by the passage of any of these Bills into law would be to punish responsible firearms owners by placing unjustified financial and procedural burdens upon them.
