

To the Public Safety and Security Committee,

I would like the committee to know that I support expanding the ban on the assault weapons.

The ban needs to include more military type weapons that have no place on our streets. I also support a ban on the sale AND POSSESSION of magazine clips that hold more than 10 bullets.

I also support universal background checks, annual registration and a limit to purchase 1 gun per month. I am a hunter and fisherman but, more importantly, I am a concerned parent.

I thank you for your consideration.
