

To whom it may concern,

My name is Robert Jean Jr. I live in Oakdale, CT. I am a Member of the Quaker Hill Rod and Gun Club located here in Oakdale. I am against any new gun control bills that will further diminish my Second Amendment Right to be able to defend myself and my family. All the bills now being proposed will do nothing but make our state and this country less safe. What needs to be addressed is how to keep firearms out of the hands of criminals. Making penalties for felons and first time offenders more severe would be a much better deterrent to crime than taking away from the law abiding gun owners of CT. The criminals will do as they see fit regardless of how many laws are passed. It would be my hope that a mutual consensus could be reached without taking away from us our ability to defend ourselves.

Sincerely,
Robert Jean Jr.
