

A ban on military style assault weapons that are listed by model and name; semi-automatic weapons; large capacity magazines capable of holding more than ten rounds. Individuals currently in possession of these magazines should turn them over to law enforcement by Oct. 2013.

Universal background checks and annual registration renewal.

Aren't innocent lives (adults and children) worth this inconvenience?

I want to be proud of my country's efforts in avoiding gun violence.

Respectfully.
