

Good morning,

For the public's welfare, I request that the following measures be sent to the floor for a vote of the full membership as soon as possible:

- 1) Amend the assault weapon sales ban to require that such weapons only have one military style feature.
- 2) Enact a ban on the sale and possession of all ammunition magazines capable of holding more than ten rounds.
- 3) Restrict gun purchases to no more than one a month.
- 4) Require universal background checks prior to the sale or transfer of a gun, and under any circumstance

Thanks for your attention.

Sincerely Yours,
Kent Stivers
