

Good afternoon Chief Maynard, Chief Guerra and members of the Transportation Committee, my name is Darwin Apollo Live in New Haven Ct. 06513 I am here to testify in favor of the bill No. 6037, An act relating to the issuance of a license to operate motor vehicle for certain immigrants.

I've been in this country 12 years, the reason for my request is because I have a son and I am separated and unfortunately my son lives about an hour from my home town and I have to travel every weekend to spend at least a weekend me, my son is 10 years old and at one time it saw as the police treated me like a criminal for having no driver's license, I just looked at my son, and you can not imagine the anguish that had in their eyes, and I the biggest rage that penetrated my soul to know that my son was watching them .since that day me and my son live scared and I like what I see and you see me asks Dad if we going to the same thing happen again? . Gentlemen lawmakers to you to the tranquility of many children that they carry that smile naturally not be hidden when they see a cop.

A license is a benefit to everyone, not just for immigrants, but for honorable citizens like you.

Thanks,  
Darwin Apollo
