Public Hearing
Proposed H.B. No. 6038
2/13/2013

Dear Members of the Transportation Committee:

My name is Alexandra Bryden and I am 10 years old. I am writing this letter to ask you to please support proposed H.B. No. 6038, an act requiring the use of gender-neutral "people at work" signs by the Department of Transportation (DOT).

I support this bill because no gender deserves more credit than any other gender. Put those workers in your position; how would you feel if you did a lot of hard work and the other gender got the credit? Thank you and I hope you feel the same way.

Sincerely,

Alexandra Bryden
