Subject: Transportation Committee - H.B. No. 6038- Gender-neutral signs

Testimony of
Cheryl Desmond
Joint Committee on Transportation
Public Hearing
Proposed H.B. No. 6038
2/13/2013

Dear Transportation Committee:

I am writing this letter to urge Transportation Committee Members to support proposed H.B. No. 6038, an act requiring the use of gender-neutral "people at work" signs by the Department of Transportation (DOT).

I support this bill because both men and women perform work with the Department of Transportation. The "men at work" signs imply and represent to the public that only men work with the DOT.

Sincerely,

Cheryl Desmond
