Subject: Testimony on Bill #6050

Restoring toll booths in CT can only be seen as a money making set up for the State at the expense of overtaxed residents. Once again putting the burden of overspending on the backs of residents. If my memory serves me correctly, one of the major reasons for the elimination of toll booths was the number of motor vehicle accidents at toll booth locations. Be creative and come up with more realistic approaches to raising revenues.

Have a great day,
Bob Emrich
