The Honorable Andrew Maynard

The Honorable Antonio Guerrero

Co-Chairpersons, Transportation Committee Legislative Office Building Hartford, CT 06106-1591 Dear Chairmen Maynard and Guerrero:

I agree with with the comments of the CT Bike and Pedestrian Advisory Board that the current law already adequately limits cyclists from riding 2 abreast when it would impede traffic. I am an avid 55yr.old cyclist who abides by the law. I also drive a car. I have been harassed while on my bike by vehicles innumerable times w/ several close calls. I get frustrated by both cyclists and vehicle operators who do not follow the law and who put others in danger by their flagrant flaunting of road rules. Bicycling is my passion. I believe that a Bike Friendly state benefits from increased tourism and environmental awareness. Please strike down this proposed law which is over-legislative as the current law sets conditions for riding two abreast.

Thank you for your consideration.

Sincerely, Anne Q. Indino
