**Subject:** SB 103

I am a bicyclist and motorist who is opposed to SB103. There are many opportunities for cyclists to safely ride two abreast on quiet backroads. Should a car need to pass a cyclist, they should wait for the opportunity to do so safely, just as they should do when passing a car, which is wider than two cyclists riding abreast. I agree that on busy roads, cyclists should ride single file.

Sincerely,  
Thomas Ebersold
