**Subject:** TESTIMONY IN SUPPORT OF HB 5127

Dear Ms. Kess,

Please register my support for HB 5127. Metro North commuters already bear a disproportionate amount of the burden for state government through general taxation and the diversion of funds away from the railroad for other purposes. Fares are increasing annually, which only adds insult to injury. Cancellation of service for more than 48 hours should trigger an automatic extension of validity for weekly and monthly ticket holders.

Sincerely,

Thomas McLoughlin
