Subject: House Bill #6050 - Highway Tolls

Attn: Quinn Kess
Date: 2/23/2013

I am not able to attend the open meeting on the Highway Tolls Bill, but I want to register my opposition to any Tolls on any Connecticut Highways.

If, per chance, a Toll Bill is passed, I would MANDATE that every single dollar collected go into a Highway Maintenance Fund as a separate Budget Item and NOT be allowed, at any time, to be included in the GENERAL FUND. Additionally, I would also MANDATE that the Toll collection personnel and administrators, office equipment and construction cost be paid out of the Toll collected funds with no bookkeeping of fund into or out of the General Funds, and employees be employees of an "outside contractor" rather than a State or Municipal employee.

Thank you for your time and consideration.

Best Regards,
John Dennis
