

Public Hearing Testimony of America Morales

I am America Morales, a junior in high school, and I am 16 years old. I live in East Haven, am a US citizen, and I'm going to voting in the 2014 election like my peers. I am in favor of the SB69 and HB6037 bill.

This is a very important issue to me, because I know a lot of people, people who are close to me, who are undocumented and need licenses.

This affects me personally because whenever I ask a friend to come over who's parents are undocumented and do not have a license, they are very hesitant and usually do not come because of fear of being stopped by the police. Their parents will only drive in their comfort zone which makes it hard for me to see my friends.

When I receive a license, I will start doing a lot more of the driving for family and friends, taking a burden off of them. It will be safer for me to drive because I won't have to worry about police unlike them.
