**Session Year 2013**  
**Proposed H.B. No. 5307**

**Introducer(s):**

Rep. Christopher A. Wright, 77th Dist.

**Title:** AN ACT CONCERNING CABLE TELEVISION EQUIPMENT.

**Statement of Purpose:** To require that each community antenna television company, holder of a certificate of cable franchise authority and holder of a certificate of video franchise authority provide an option for customers to buy any equipment for which such company or holder currently charges a monthly fee, and to require such company or holder to provide community antenna television or video service to any customer who uses equipment provided by a third party.
