[Raised Bill \[pdf\]](#)

**Introducer(s):**

Public Health Committee

**Title:** AN ACT CONCERNING CERTIFICATION OF CLASSICAL HOMEOPATHS.

**Statement of Purpose:** To require (1) the Commissioner of Public Health to publish a list of classical homeopaths certified by a national organization, (2) the commissioner to establish requirements for certification of classical homeopaths, and (3) require persons who practice classical homeopathy in this state on and after July 1, 2014, to obtain a certification from the Department of Public Health.
