

Good day ladies and gentlemen,

I am sending this e-mail to voice my opinion, and to oppose bill 6654. I am a client of the B E P program with the Board of Education and services for the blind now called Dept. of rehabilitative services. This program is very important to persons such as myself, and to close the facilities at the state parks, is just not a good idea. It is also in violation of the Randolph-Shepard Act, and persons with disabilities acts. Please have all representatives vote against closing of these facilities.

Thank You
